- 2) Strictest confidentiality regarding application, names and funding will be maintained by the society.
- 3) Funds will be made available only for non-recurring, exceptional and extraordinary costs. On-going expenses incurred by members and durable medical goods are not covered under this assistance program.
- 4) The applicant should be willing to donate the item to another society member when it is no longer needed.
- 5) Application for assistance should be made in advance of a cost being incurred. Special consideration may or may not be made if the cost has been incurred. Award will be granted once the receipt showing total purchase prices has been submitted.
- 6) Examples of potentially eligible costs are: computers, tablets, class rings, and technical communication devices. If you have questions about an item's eligibility, please let us know.
- 7) Grants for Journey may be requested up to a maximum of **\$500** per affected individual, per 12-month period, dependent on available funds and the Committee's decision. Each Journey Grant will be for 40% of the total purchase price, not to exceed \$500. Multiple grants can be submitted, not to exceed \$500 funded in a 12-month period. Multiple grants for one family membership may be awarded only for single user items.
- 8) A minimum of 60% of the total cost of the requested item must be funded by the applicant or by other sources.
- 9) All required documentation must accompany the Journey application form prior to application being reviewed. Applications will be reviewed by the committee upon receipt of all documentation, and the society's office will notify the applicant of the funding decision.
- 10) The society will notify the applicant indicating whether the application has been approved or denied and the amount of funding granted, if any.
- 12) Funding will be reimbursed directly to the applicant upon the society receiving an original or photocopy of the receipt.

### **Application Review**

- 1) Application will be reviewed once all of the required documentation is received.
- 2) The Family Support Committee will review a summarized version of the application and determine funding status.
- 3) Reimbursement will be made to the applicant if selected for funding. This will require the applicant to supply a paid receipt for the requested item.
- 4) The Family Support Committee's interpretation of the regulations outlining the Journey Assistance Program and any decisions made by the Committee are binding. Appeals can be made to the Board of Directors in writing within 60 days of denial. The appeal will be reviewed at the next board meeting.
- 5) In the event that funds budgeted for the current year are depleted, the Family Support Committee will not review additional applications that year. Applications will be accepted and reviewed after January 1.
