

## Family Support Programs

**Social Gathering Program** — Families can request funds up to \$750 each year to help with organizing a picnic or other social function.

**Family Assistance Program** — Families or adults with MPS and related diseases can request up to \$3,000 annually to purchase durable medical goods not covered by insurance or other sources.

**Conference Scholarship Program** — Families or adults with MPS or related diseases can apply for financial assistance to attend an MPS Society conference.

**Continuing Education Scholarship Program** — Individuals with MPS and related diseases and their siblings and children can apply for a \$1,000 Continuing Education Scholarship.

**Extraordinary Experiences** — Individuals with MPS and related diseases, ages 13 and older, can apply for a grant of \$1,000 to create an Extraordinary Experience.

**Medical Travel Assistance Program** — The program reimburses up to \$500 per individual with MPS or related diseases, per 12-month period, in transportation costs for member families traveling to a medical appointment more than 200 miles from their home.
