*Matty, like all of our Angels,  
is missed greatly.*

His legacy continues to touch many families in our area through the work of Angel’s Hands Foundation. It is hard to believe he has been gone almost as long as we had him with us. The people he met in his life continue to bless us with memories and stories. I am a believer in spirits and have on occasion spent time with Matt over the years. I am thankful that when I slow down and pay attention, he blesses me with his presences. His niece and nephews talk about him as if they know him, and that is beautiful to me. Love and miss my buddy.
