My tears continue to fall on a daily

basis because I miss you so much. You were my life.

We miss you more than any words can express, Noah B. Even though we are apart, we will always be together, forever. You were so brave, and so strong, you don't have to fight anymore. Sanfilippo has gone from you forever. Run and play and do all those things you used to do when you could. Your time here with us was so short but we know you aren't suffering anymore. We hope one day we are together again. How beautiful that day will be. We love you forever, our shining star...our precious angel.

Austin's sweet presence could light up any room, and his contagious laugh used to fill the air with a never-ending feeling of warmth and happiness. We continue to live for Austin, for his memory is so alive through repeating his silly go-to phrases, listening to his favorite songs, and watching his favorite sporting events. We love you, Austin, and we always will. To know you was to love you, and you make missing you so easy. Until we meet again, our buddy.

MATTHEW McHUGH (MPS II)

2/15/2005–9/27/2019

Submitted by his mother, Emma McHugh

Matthew McHugh forever 14. Matthew loved hats, Lighting McQueen, Liverpool, chicken balls and curry sauce and sausages; he was funny, impulsive, and very

easy going; he loved mischeif and pranks. Matthew just loved everything about and everyone in his life. Matthew, my son, my sidekick, my teacher, my inspiration. We miss you more and more each day. The more we miss you, the more our love grows for you. You will live forever in our hearts, we will speak about you often and with happiness. You taught us all to get through life with a smile on our faces no matter how hard things were. It's hard to smile without you, but

the memories you left us with are worth so much more to smile about than our sadness without you. We love you Matthew to the moon and back and all the stars in between. Never forgotten from your mam (Emma, cause you never called me "mam"), stepdad Frank, and brother Darnell.

This January marked 5 years. Five years of not holding you or seeing your handsome face. We never dreamed we would survive. We

wouldn't have if it wasn't for you. Not a day goes by that we don't think of you. Not a day goes by that we don't wish you were still here. The strength you lived life with, you passed on to us so that we could go on. We live our lives to honor you. We love and miss you and can't wait to see you again in a perfect and whole body. Oh what a day that will be. But until then, we love you to Heaven and back.

LUCAS MONTGOMERY
(MPS IIIB)

*Submitted by his parents,

Lucas brought awareness to his syndrome, always smiling and inspiring others to be courageous,

positive, and strong, and to fight for what they believe in. He had a tremendous amount of love for his family and made sure his family felt as strong as he was. He taught to Be Unbelievable and not to let perceived limitations keep us back from trying our hardest to achieve our hopes and desires. Love hard.

RACHEL DAWN MOXLEY
(MPS IIIB)

9/6/1981–10/18/2000
*Submitted by her family,
Rita, Mike, Robyn, and Derek*

Rachel loved singing and dancing. She especially loved musicals and Disney movies. She was a petite and

beautiful young woman who liked to dress up and go to events. While MPS robbed her of many of her abilities, it did not take away her feisty spirit, which remained until the very end. We miss her every day, and look forward to seeing her again in the next life, where we are sure she is singing with the other angels in the Heavenly Chorus. We love you, Rachel!

JOSEPH DANIEL MUONIO
(ML II)

Submitted by his parents, Michael and Anita Muonio, and siblings

Joe was a happy little guy who loved to tease us, sing songs, and play “going fishing” with Pa. He would jabber and talk with Mom between rooms. Even after he went blind, he found ways to play with all his toys, and could recognize us all by the way we walked. He had the most infectious chuckle.

ZACHARIAH PAUL BENJAMIN MUONIO (ML II)

1/11/1994–2/10/1999

Submitted by his parents, Michael and Anita Muonio, and siblings

Zach was our family’s baby. He ruled supreme from his livingroom floor. Zach liked to talk and jabber with all of us and would swing his pacifier to bonk us with great accuracy. Zach had the ability to scootch over next to you when you were feeling down and sad and make all of the yuck disappear. He teased us and loved us and made us smile.

**NATHAN JESUS RUIZ
(MPS IIIA)**

4/1/2006–3/28/2020

Submitted by his mother, Erica Ruiz

My son Nathan Jesus was an amazing boy. Since the day he was born he brought my family so much joy. He gave us a reason to be so happy with his sweet smile and his contagious laugh; he could make a bad day go away just with a smile and the love he gave. I was so blessed to be his mom, he meant the world to me. After Nathan's 5th birthday, he was diagnosed with MPS III and it broke my heart knowing what my son was going to go through. Nathan never showed

it—he was such a strong boy and he was a fighter. He lived every day so happy, playing with cousins, his cars, and throwing a ball around. Nathan loved so many things like the yellow school bus, pizza was his favorite food, he loved humming songs like “Baby” by Justin Bieber and “What Makes You Beautiful” by one Direction. And he loved just spending time with family. On March 28, 2020, Nathan gained his wings, and fought all the way until the end. It was a sad day, and my family and I knew things would never be the same without my amazing boy who was so sweet and loved everyone and had an amazing life. Nathan Jesus Ruiz, son, I miss you so much. I miss your contagious laugh and your amazing smile that lit up a room and holding your hand, but I know you're here in our hearts forever. You go where I go, you watch over our family, you are our sweet angel now. I know you're happy and free and that makes me happy. Nathan Jesus, I know I will hold you again in Heaven but right now I will hold you in my heart. You left us with so many memories. You will never be forgotten Nathan Jesus Ruiz. We love you! Love, Mom, Dad, sister Nevaeh, and your entire family.

MATTHEW RICHARD WAIN
(MPS I)

4/26/1986–3/2/1990

Submitted by his parents and brother,
Terry, Nancy, and Teddy Wain

Matthew was only 3½ when he
went to Heaven. He was a loving,
beautiful baby. He loved his baby

sister Stacy and loved whistling!! He enjoyed eating
m&m candy and would ask for milk in Spanish, he
learned from his Grandma! His belly laughs were so
wonderful to hear! He loved animals, and he loved to
draw. Matthew adored his Mommy and Daddy, but
Gramps was the person who spoiled him so much. If
Grandpa was in the room, Matthew would be in his
arms. His laughter, his loving smile is missed every day.
It's hard to conceive it's been 30 years since he went
to be with the Lord. Love and missed by everyone who
knew and loved him. We know he's in good company
with his sister Stacy and his Grandpa Wain and
Grandma Garcia and Uncle Rick. You will always be
with us...in our hearts forever.

STACY LYNN WAIN (MPS I)

Stacy was a vibrant young lady. She
was a friend to everyone. She loved
her cats! Stacy attended college,
had her own apartment, and truly

lived life to its fullest. She loved Keith Urban and met
him four times! She loved music and playing piano. Her
spunky humorous spirit lit up a room. Her memory lives
on with Stacy's Sparkles. She is missed every day, but
we know she's in Heaven singing and finally in a pain-
free place. Love you forever our sweet Stacy.
