ABOUT RAISING MONEY FROM SPONSORS

Collecting donations by participating in the National MPS Society Run/Walk 2021 will help raise funds for MPS research. Bring this sponsor sheet to as many people as possible (friends, family, co-workers, neighbors) to have them make a donation to the National MPS Society for your participation in the Run/Walk 2021.

ABOUT THE MPS SOCIETY RUN/WALK

Thank you for participating in the 19th Annual National MPS Society Run/Walk, and PO's 30th Annual 5K & 1K Fun Run. This event will take place in many cities across the nation to raise awareness and funds for the National MPS Society.

In our community the Walk/Run will be held at the Post Office Café in celebration of Mark and Casey Lessing. In 2010, Mark lost his 20 year battle with the disorder MPS3A. His sister Casey passed away July 2016 at the age of 24. MPS and related diseases are genetic disorders that affect major organs in the body, including the respiratory system, heart, bones and nervous system. Affecting mostly children, it is caused by the body's inability to produce certain enzymes. There are hundreds of children around the country waiting for a treatment and eventually a cure for these rare, progressive and deadly diseases.

The National MPS Society's mission is to provide support for individuals and their families affected by MPS or ML. Our goals are to increase the public and professional awareness and to support research. The Society's ultimate goal is to find a cure for MPS disorders.
