## *MPS Awareness Day Proclamations*

---

### ***What is a proclamation?***

A *proclamation* is a public or official announcement, especially one dealing with a matter of great importance.

*Proclamations* may be issued to recognize a day, week, or month to spread awareness or support for a particular cause or issue of regional or state importance by the governor or general assemblies.

### ***How do I request or submit a state proclamation?***

On the list provided below, select and visit your state's webpage. Fill out your constituent information, upload or copy and paste your edited version of the proclamation template we provide. SUBMIT!

Each state has a different submission deadline; most states require 3-4 weeks advance notice. Some states may require an email submission. If your state requires an email and you would like guidance with email etiquette to your governor's office, please reach out to Stephanie Cozine, Advocacy Committee Co-Chair, at [stephanie.cozine@gmail.com](mailto:stephanie.cozine@gmail.com).
