The National MPS Society exists to
cure, support, and advocate for MPS and ML.
Your Leadership Support Saves Lives and Achieves Results

Research

Funding groundbreaking research through fellowships, grants, and projects at numerous prestigious universities and other centers.

Family Support

Providing a wide-range of resources and information to families including one-on-one support through our MPS Pathways Program, resource guides, medical equipment, travel grants, annual family conferences, bereavement expenses, and so much more.

Advocacy

Sponsoring public events, issuing press releases, and publishing syndrome and treatment materials. Mobilizing and elevating the patient voice to key decision makers at the local, state, and federal levels.

Masquerade Gala

Unmasking a Cure for MPS

A Night of Elegance and Impact: Celebrating 50 Years of the National MPS Society

Join us for an unforgettable evening as we commemorate a remarkable milestone—**50 years** of hope, progress, and support—at the **National MPS Society's 50th Anniversary Gala**, held at the stunning **Revere Hotel** in the heart of Boston.

This prestigious event promises to be a night of celebration, reflection, and inspiration as we honor the Society's legacy in advancing research, raising awareness, and providing vital support to families affected by MPS and related diseases. Together, we will look back on the achievements of the past, celebrate the resilience of the MPS community, and renew our commitment to a brighter future.
